CONSUMABLES CHARGES	
CATERING: £12 PER SESSION	Providing food in a day nursery extends far beyond serving meals. It includes careful menu planning to meet the nutritional needs of young children, catering for allergies, medical conditions and cultural or dietary preferences, while ensuring full compliance with food hygiene and safety regulations. These responsibilities require trained staff, ongoing monitoring, regular audits and additional resources to safeguard every child's health and wellbeing. Our provision includes a healthy breakfast, a freshly prepared cooked lunch supplied by Zebedee's, whose menus are carefully planned to meet children's nutritional needs and accommodate a wide range of dietary and allergy requirements, along with afternoon tea, and nutritious snacks available throughout the day.
CARE PRODUCTS: £0.50p PER SESSION	Our daily care provision includes the supply of essential hygiene products such as baby wipes, tissues and other everyday care items used throughout the nursery. These products support children's personal care, comfort and wellbeing while helping to maintain the highest standards of hygiene and infection control. Providing these items as part of our daily care ensures children have everything they need throughout the day without parents having to supply them individually.
Consumables Charges are voluntary: If you choose to provide your own meals (all meals), they will need to follow our healthy eating and nutritional guidance. We are unable to cool home prepared meals as we do not have fridge capacity. If the meals do not follow these guidelines, we will give the child a nursery meal and you will be charged. Other consumables will need to be provided if a voluntary contribution cannot be made. Please speak to the nursery manager for further information.	

Late payment fee = 10% of outstanding fee as per 15th day of the billed month

Fees remain payable where your child's allocated attendance day falls on a bank holiday or where your child is absent for any reason, including illness or holidays.
